"Calling Out For Days"

Don't fool yourself again
It's hopeless from the start
Don't drown in negatives
and positives that lost.

Just take your time
Don't lose your mind
Fall in line
Fall in line
Just take your time

Calling out for days
You never really knew which way to face
Don't waste your life on this
Don't waste your time on this

Goodbye to innocence
You fall on emptiness
Don't tear yourself apart
And wallow in regret

Just take your time
Don't lose your mind
Fall in line
Fall in line
Just take your time

Calling out for days
You never really knew which way to face
Don't waste your life on this
Don't waste your time on this

Maybe if you could let me know?

The feeling of life inside that grows..

Just take your time
Don't lose your mind
Don't let it go

Don't let it go!

Calling out for days

You never really knew which way to face

Don't waste your life on this!

Don't waste your time on this!

No....
