Looking through the windowshade,  
Stare at streets that bare no name,  
Now it all looks strange to me,  
Yesterday seems like a dream,  
But i often try too hard,  
To break the routine of my day,  
Turn around see what i see,  
Can't help wishing it could.

*[CHORUS]*

Change, Change, again,  
Unchain myself, i will.

See the faces in the crowd,  
Busy streets they move around,  
Underground seems such a drag,  
Waiting still and then we change,

*[CHORUS X2]*

*[Ad-Lib:]*

The more i see, the more it hurts,

The more we change it all seems worse.

*[M8:]*

Tomorrow till tomorrow comes.

As it drags me there i feel,  
A sence of urgency unviel,  
Whats in store for us today,  
Read the papers drift away.

*[CHORUS]*

Change, we change again,  
We change, again,  
Unchain myself,  
I will.

*[Ad-libs:]*

Oh how i hate to feel this way,  
The more i wait to see it change,

The more i see the more it hurts,  
The more we change it all seems worse.
