Seein' life begin  
Hear the oceans sing  
It takes you back  
Pulls you back  
Brings you home

See your face in stone  
A hollow moon above an aching sky  
Silent night  
Brings you home

Left without a place  
Lonely inner space  
That you can breathe  
It's the essence of a love  
My love

Lead by devotion  
Celebrate [x2]  
Celebration  
Dove grey sands

Lead by devotion  
Celebrate [x2]  
Celebrate now  
Dove grey sands

Narrow days alone  
Pushing for the sun  
Don't hide away  
Burn to grey  
One soul  
Facing life alone  
Numbers on a phone  
To help you back  
Send it back  
Bring you home

Left without a place  
Lonely inner space  
That you can breathe  
It's the essence of a love

My love

Lead by devotion  
Celebrate [x2]  
Celebration  
Dove grey sands

Lead by devotion  
Celebrate [x2]  
Celebrate now  
Dove grey sands

Feelin' like it's over  
It's just the start  
I can't hear you again  
Dreaming of the ocean  
As waves come in  
I can't hear it again

Dove grey sands [x3]
