I know you like it
You like it like that
You like it

I hope you like it
There's no holding back
You like it

I know you like it
You like it like that
You like it

I hope you like it
There's no holding back
You like it

I know you like it
You like it like that
You like it

I hope you like it
There's no holding back
You like it

I know you like it
You like it like that
You like it

I know you like it
You like it like that
You like it

Is it the right way
Is it the right way home?
Lost inside this desert silence

Is it the right way
Wait 'til the morning comes
Is it the right,
Is it the right,
The right way

I kept on driving
Tryin' to get back
Kept driving

Just keep on driving
Facing the blast
Keep driving

I kept on driving
Tryin' to get back
Kept driving

Just keep on driving
Facing the blast
Keep driving

I kept on driving
Tryin' to get back
Kept driving

Just keep on driving
Facing the blast
Keep driving

Is it the right way
Is it the right way home?
Lost inside this desert silence

Is it the right way
Wait 'til the morning comes
Is it the right,
Is it the right,
The right way

I know you like it
You like it like that
You like it

I hope you like it
There's no holding back
You like it

I know you like it
You like it like that
You like it

I hope you like it
There's no holding back
You like it

I know you like it

You like it like that
You like it

I hope you like it
There's no holding back
You like it

I know you like it
You like it like that
You like it

I know you like it
You like it like that
You like it

Is it the right way
Is it the right way home?
Lost inside this desert silence

Is it the right way
Wait 'til the morning comes
