Got ya

I crave, I crave, I crave, I crave
A taste, a taste, a taste, a taste, a taste, a taste
Honeyfuzz, honeyfuzz

I can't go on, go on
Alone, alone, alone, alone, alone
alone without my honeyfuzz, honeyfuzz

Funny, it tasted so sweet like honey
D'you know what I mean? It's so funny
I never had a dream like honey, honey

Got ya

I taste, I taste, I taste, I taste
Go to waste, I taste, go to waste
I taste, go to waste

I taste your honeyfuzz, honeyfuzz

I love, I love, I love, I love, I love
I touch, I love, I love, I touch
I touch your honeyfuzz, honeyfuzz

Funny, it tasted so sweet like honey
D'you know what I mean? It's so funny
I never had a dream like honey, honey
It's so funny, it tasted so sweet like honey
I never had a dream, but honeyfuzz
Honeyfuzz
Honeyfuzz
Honeyfuzz
