love in, love out, find the feeling  
scream in, scream out, time for healing  
you feel the moments gone too soon,  
your watchin clouds come over you,  
torn in two, you close your eyes for some place new,  
torn in two,

and i feel its going down  
10 feet below the ground  
i'm waiting for your healing hands  
1 touch can bring me round  
i feel we're going down  
10 feet below the ground  
it's just the way i'm feeling

glow in, glow out  
lost the feeling  
bruising, u bruise out miss the bleeding

torn in two  
its time we bruise

and i feel its going down  
10 feet below the ground  
i'm waiting for your healing hands  
1 touch can bring me round  
i feel we're going down  
10 feet below the ground  
it's just the way i'm feeling  
yeh yeh it's just the way im feeling

two different views as words confuse  
and break, i cant get out  
theres no way out of here  
i cant get in

love in love out find the feeling  
and i feel its going down  
10 feet below the ground  
i'm waiting for your healing hands  
1 touch can bring me round  
i feel we're going down

10 feet below the ground  
it's just the way i'm feeling  
yeh yeh its just the way im feeling (x5)
