Love in, love out,  
Find the feeling  
Scream in, scream out,  
Time for healing  
You feel the moment's gone too soon,  
You're watching clouds come over you.

Torn in two,  
You close your eyes for some place new,  
Torn in two

And I feel it's going down,  
Ten feet below the ground,  
I'm waiting for your healing hand,  
One touch could bring me round  
I feel we're going down,  
Ten feet below the ground,  
It's just the way I'm feeling.

Glow in, burn out,  
Lost the feeling  
Bruise in, you bruise out,  
Nurse the bleeding

Torn in two,  
Each time we bruise

And I feel it's going down,  
Ten feet below the ground,  
I'm waiting for your healing hand,  
One touch could bring me round  
I feel we're going down,  
Ten feet below the ground,  
It's just the way I'm feeling.  
Yeah yeah, it's just the way I'm feeling.

Two different views,  
As words confuse and break  
I can't get out,  
There's no way out of here,  
I can't get clear.

Love in, love out,  
Find the feeling.

And I feel it's going down,  
Ten feet below the ground,  
I'm waiting for your healing hand,  
One touch could bring me round  
I feel we're going down,  
Ten feet below the ground,  
It's just the way I'm feeling.  
Yeah yeah, it's just the way I'm feeling.  
Yeah yeah, it's just the way I'm feeling.  
Yeah yeah, it's just the way I'm feeling.  
Yeah yeah, it's just the way I'm feeling.
