"Picture Of Perfect Youth"

Left out in the sun to dry again
Washed up on a shore line south of Spain
Gazing up with telescopic eyes
Planetary life above the skies

Oh my god, she's my obsession, my obsession
Here she comes, she's a picture of perfect youth
Here she comes, lifting me up to the moon
Here she comes, she's a picture of perfect youth
Here she comes

Drifting on a boat in emerald seas
Pulling on the strings inside of me
Tasting salt as waves dive over me
Twisting on a rope of memories

Oh my god, she's my obsession, my obsession
Here she comes, she's a picture of perfect youth
Here she comes, lifting me up to the moon
Here she comes, she's a picture of perfect youth
Here she comes

If you could only see that I'm sinking like a stone
The sea is getting colder every second as I go
It's like breathing underwater but I just can't let you go

She's my obsession, my obsession
She's my obsession, my obsession
Here she comes, she's a picture of perfect youth
Here she comes, lifting me up to the moon
Here she comes, she's a picture of perfect youth
Here she comes

Here she comes, she's a picture of perfect youth
Here she comes, lifting me up to the moon
Here she comes, she's a picture of perfect youth
Here she comes
