Jumping into streams of nectar  
Falling through these clouds of silver  
Reaching for these angel's faces  
Waking up in fields of feathers  
It's tied me up inside, it's tied me up inside  
Got to pull myself together  
It's tied me up inside, it's tied me up inside

You spin me around, you lift me right off the ground  
You twist me around, I feel like a rubberband  
You spin me around, then you wind me back up  
Cause I'm your rubberband

Crashing onto cotton waterfalls  
Breaking my fall if I latch on  
Wrapped up in these arms of velvet  
Drifting in a sea of regret  
It's tied me up inside, it's tied me up inside  
Got to pull myself together  
It's tied me up inside, it's tied me up inside

You spin me around, you lift me right off the ground  
You twist me around, I feel like a rubberband  
You spin me around, then you wind me back up

Cause I'm your rubberband

I wish I knew what to say  
The words escaped me today  
I wish I knew what to say  
Just take away the pain

Jumping into streams of nectar  
Got to pull it back together  
It's tied me up inside, it's tied me up inside  
It's tied me up inside, it's tied me up inside  
You spin me around, you lift me right off the ground  
You twist me around, I feel like a rubberband  
You spin me around, then you wind me back up  
Cause I'm your rubberband

You spin me around, you lift me right off the ground

You twist me around, I feel like a rubberband  
You spin me around, then you wind me back up  
Cause I'm your rubberband

You spin me around, you lift me right off the ground  
You twist me around, I feel like a rubberband  
You spin me around...
