Falling down
Reaching out for someone
To come down

Oblivious
To all of us, the child
That grows inside

Seventeen
Without a care, she's taking
Another ride

A sense of peace
She's waving back to faces
Carved in stone

Tinsel town
Here in tinsel town
It's pulled you down
Life in tinsel town

Overthrown
Relinquished all
Life breeds all around

A fun fair trip
A carousel
She's trying
To hang on

Here in tinsel town
Life in tinsel town
It's pulled you down
Stuck in tinsel town

I think she might make it
She has the will to go on
She's turning back pages
As the world steps on

Here in tinsel town
Life in tinsel town

It's pulled you down
Stuck in tinsel town

Alone
Alone
Alone
So Alone

Alone
Alone
Alone
So Alone

Alone
Here in tinsel town
Life in tinsel town
