I had a dream  
I had a vision  
I fell into water  
The water was deep

I made a decision  
Promised myself  
Changed my direction  
Turn to the south

All my life, I cant believe it  
Tracing lines but no one sees it  
I wish that I could take a rest

Today's the day, I still believe  
Tracing lines until they meet  
Today's the day I've found a new way out  
Set my spirit free

Live by the notion  
All we can be  
Self preservation  
Stopping the bleed  
All is decided  
Gathered and sewn  
Guided by wisdom  
From father to son

All my life, I cant believe it  
Tracing lines but no one sees it

I wish that I could take a rest

Today's the day, I still believe  
Tracing lines until they meet  
Today's the day I've found a new way out  
Set my spirit free

Cause I've had a dream  
I had a vision  
I fell into water  
The water was deep

Cause all my life, I cant believe it  
Tracing lines but no one sees it  
I wish that I could take a rest

Today's the day, I still believe  
Tracing lines until they meet  
Today's the day I've found a new way out  
Set my spirit free

Today's the day, I still believe  
Tracing lines until they meet  
Today's the day I've found a new way out  
Set my spirit free
