The words we say, old flowers fade away
Remember yesterday, wish it would bloom again
Apathy and pain, here comes the Autumn rain
Old apologies scattered in the wings of fate

'Cause today it all looks black and white
Wish it would change
We can't keep painting colors when its

Don't hesitate, 'cause you will bleed
A thousand tears won't wash it clean
Don't hesitate, 'cause you can free yourself
Evergreen
Evergreen

Down on my knees, crawling though the streets again
Surrendered to my needs, so I can breathe the air
You're my evergreen, Regents Park in spring
It takes me to a place, where I can dream again

'Cause today it all looks black and white
Wish it would change
We can't keep painting colors when it's

Don't hesitate, 'cause you will bleed
A thousand tears won't wash it clean
Don't hesitate, 'cause you can free yourself
Evergreen

Don't hesitate, 'cause you will bleed
A thousand tears won't wash it clean
Don't hesitate, 'cause you can free yourself

I just want some place
Where I can breathe without this bitter taste

'Cause today it all looks black and white
Wish it would change
We can't keep painting colors when it's gray
It all looks black and white today

Don't hesitate, 'cause you will bleed

A thousand tears won't wash it clean
Don't hesitate, 'cause you can free yourself
Evergreen

Don't hesitate, 'cause you will bleed
A thousand tears won't wash it clean
Don't hesitate, 'cause you can free yourself
Evergreen
