Chorus:

Don't Runaway

Midnight Hideaway

Don't you - Fadeaway!

'til the Morning light

(REPEAT CHORUS)

I see you from my window

In the shadows of the night

You're standing on Love Street

On the beat, of better things

Yeah!

I'll see you standin' there

You don't care, anymore

And love in your life

Stabbin' knife in my heart

(REPEAT CHORUS)

Yeah!

(REPEAT CHORUS)

I'll see you standin' there

You don't care anymore

And love in your life

Stabbin' knife in my heart

(REPEAT CHORUS TWICE)

She might Fadeaway (8 TIMES)
