You go on alone
I don't want to stop you
From doing what you want
From doing what you have to do
I don't think it's right
Standing in your way
But I don't want to see
You throw it all away
Can you tell me what to do
Tell me what to say
Now every little dream I dream
Is calling out your name
And I'm running out of tears
Running out of time
I keep you in my heart
And forever on my mind
So I'll be over here
Standing in the window
Standing in a line
Of broken-hearted people
I'm waiting on a word
What it is you say
Make yourself believe
It's gonna be okay
Can you tell me what to do
I'm really just afraid
Now every little dream I dream
Is calling out your name
And I'm running out of tears
Running out of time
I keep you in my heart
And forever on my mind
And forever on my mind
Yeah
