My, I'm large  
Just before I fell asleep last night  
I lost track of my size  
I think I'm huge now

I don't know why  
I still seem to fit inside my car  
'Cause I'm not the same size  
I know I'm huge now

Ever since I was a kid I'd lay in bed at night  
And it would seem like my body got bigger  
Always in the morning I'd be back to normal  
but look at me now, I'm so enormous

Little persons all around me  
Sweep the streets and mow the lawn  
It's so lonely being different  
I'm afraid I might hurt them

It's time for lunch  
I'm scared to give in to my appetite  
So just a salad for me  
Because I'm still very large

Mikhail Baryshnikov was in the line  
At the supermarket  
And he was so small  
(so small!)

Ever since I was a kid I'd lay in bed at night  
And it would seem that my body got bigger  
Always in the morning I'd be back to normal  
But look at me now I'm so enormous

Little persons all around me  
Sweep the streets and mow the lawn  
It's so lonely being different  
I'm afraid I might hurt them  
Fee Fi Fo Fum
