See you walkin' down the street now every day
Pushin' by the people as you make your way
You're walkin' proud now baby
You got your head held high
Want you to know that this Whole World
Sees your heart cry
Ooh, yea now see, how hard you try
To make yourself believe
It's Only Love
It's Only Love
It's Only Love
It's Only Love
Maybe love shouldn't have to be so hard to take
Shouldn't have to feel that love
Until your poor heart breaks
So why you tell yourself
You know there's no one else
Then it ain't worth the waitin' anymore
Oh Baby don't you wonder, if there's such a thing
It's Only Love
It's Only Love
It's Only Love
It's Only Love....
Oh you better look in there
Believe it, even if it's too hard to
Yea, someone who's been waiting
Oh baby just for you, and love
It's Only Love...
If I could i'd take you baby in my arms
Take away all love's blame
And all loves scars
Maybe we could ride away
'til we get so far away
And then I couldn't see us coming back again
Well show me what you think of it
Show me what you need
It's Only Love (8 TIMES)
