Ooh ooh ooh ooh, ooh ooh ooh ooh, ooh ooh ooh ooh,
ooh ooh ooh ooh
Where to run baby, where to hide
Caught in the rain on the losin side
All you wanted was some kind of friend
All you got was some heartache instead
Whoa, whoo my little angel, pick up the pieces baby,
start it again
Whoa, whoo my little angel, pick up the pieces baby,
start it again
Ooh ooh ooh ooh, ooh ooh ooh ooh, ooh ooh ooh ooh,
ooh ooh ooh ooh,
Well it's true baby, what they say
Fools are fallin, fadeaway, yea
Losin love in a passing wind and
Don't know why it's so hard to win
Whoa, whoo, my little angel, pick up the pieces baby,
start it again
Whoa, whoo, my little angel, pick up the pieces baby,
start it again
Ooh ooh ooh, ooh ooh ooh, love's slippin' away
Ooh ooh ooh, ooh ooh ooh, love's slippin' away
Where to run baby, where to hide
Caught in the rain on the losin side
All you wanted was some kind of friend
All you got was some heartache instead
Whoa-whoa, my little angel, pick up the pieces baby,
start it again, and
Whoa-whoa, my little angel, pick up the pieces baby,
start it again
Whoa-whoa, my little angel, pick up the pieces baby,
start it again, and
Whoa-whoa, my little angel, pick up the pieces baby,
start it again
Ooh ooh ooh, ooh ooh ooh
