We had a spark and we had fire  
Kisses that sizzled on our lips  
Beatnik poets rolled their own  
Rich folks had filter tips  
We had time enough to live forever  
You lit me up with every beer  
Devil may care like Bogey and Bacall  
With a wink, a flick and a sneer  
Now I'm only smoke  
A faded second hand joke  
Now I'm only smoke  
Why am I banned from public places?  
Made to hang round outside?  
Tell me what it was I did to you  
I never cheated and I never lied  
Now I'm only smoke  
A faded second hand joke  
Now I'm only smoke
