welcome to my fog
there's room for you
to come right in
welcome to my fog
I guess
welcome to my fog
just take my hand
and be my friend
welcome to my fog
I guess
when I was very young
and still in school
the teacher would call on me
and I wouldn't know what to do
so I would say
what?
gee
she never called on me
again
when I go for a drive
I feel lucky to be alive
the air feels so good
coming off of the hood
and I don't go very fast
I want it to last
oh yea
strangely enough
it does
welcome to my fog
there's room for you
to come right in
welcome to my fog
I guess
The only sound
that I can hear
is when you're yelling

in my ear
Hey You!
what?
Hey You!
welcome to my fog...
