"I Am The Summertime"

Hello to your mother, your brother, significant other
I am the summertime
And Im here to free your mind
Kick off your shoes, the blues, and use anything but
your mind
Cause this is the summertime
And it's here to free your mind
CHORUS:
How many other people can you save today?
Don't you think it's high time that you sail away?
Leave today, don't fall behind

Try something new, turn into you if only for a short time
And feel your head recline
Kick off your shoes, the blues, and use anything but
your mind
Cause this is the summertime
Repeat CHORUS (2X)
Hello to your mother, your brother, significant other
I am the summertime
And I'll be here to free your mind
