

Feel "Razor"

Visit "[Razor](#)" on MotoLyrics.com

In need of proper use of a razor
Not trusting of traffic lights
Or stop signs
And i'm hoping this wood and wire can fulfill my
desire...my desire

And i can't seem to hit these strings
And i can't seem to scream these words loud enough
Or hard enough
Somebody say my name so i know i'm alive

And i'm pretty sure i can arrive
Just as long as you don't expect me on time

I'm burning out my blinker
Always thought i was the thinker

And i can't seem to hit these strings
And i can't seem to scream these words loud enough
Or hard enough
Somebody say my name so i know i'm alive
