I can pick the fruit Off my backyard tree I could wear a suit Tell ya how it's gonna be

MotoLyrics

Put my name On my baby's skin Picture of a heart With a permanent pen

I ain't gonna wait Until they close the world Gonna start livin' Before they close the world

Today I'll be a hero Fightin' for tomorrow And I won't stop rockin' Until they close the world

I could be a star In a rented car I could put on weight Say I'm lookin' great

I could play guitar 'Til my hands are raw I can be a star

I ain't gonna wait Until they close the world Gonna start livin' Before they close the world

Today I'll be a hero Fightin' for tomorrow And I won't stop rockin' Until they close the world
