I break hearts like the west was won
(They call me the rattlesnake)
Baby, I look like an outlaw
(Like an outlaw, baby)
Play poker all day at the saloon
(You cheating bastard)
I'll get you in the saddle soon, oh yeah

[Chorus:]

We won't back down
(bang, bang, guns go bang)
From a fight
(bang, bang, guns go bang)
90 paces west
(bang, bang, guns go bang)
At noon we draw to, we draw to death
We draw to death
We draw to death
We draw to death
We draw to death, oh yeah

There was a man from way back west
(Desperado ain't got shit on me)
He took 12 rounds straight to the chest
(That's two six-shooters to be exact)
At night this town remains awake
(For they keep their eyes wide open)
In terror of the rattlesnake

I bite it, but I don't light it
(This town ain't big enough for the both of us)
I'll use the rope and I'll ride her
(I'll rip that ass)
Two barrels and a whole lot of bang
And when I'm done with it, this town will never be the
same

[Chorus]

Can I touch your legs?
Do I make you sweat?
[x6]

*[Note: 3rd line actually sounds like "I look like an outlaw",
but the CD cover says "I'm hung like an outlaw"]*
