

Feeling Left Out "Razor"

Visit "[Razor](#)" on MotoLyrics.com

make need of a proper use of a razor
not trusting no traffic lights
or stop signs
and i'm hoping this witty wire can fulfill my desire...my
desire

and i can't seem to hit these strings
and i can't seem to scream these words loud enough
or hard enough
somebody say my name so i know i'm alive
and i'm pretty sure i can arrive
just as long as you don't expect me on time

i'm burning out my blinker
always thought i was the thinker

and i can't seem to hit these strings
and i can't seem to scream these words loud enough
or hard enough
somebody say my name so i know i'm alive
