If ignorance is bliss,  
Then eradicate my knowledge of my history  
Now meaningless, left on my own  
I looked for a long time,  
Crossed paths with your kind  
But some things are better left alone

Wake up lonely, hating my life  
Alone  
Wake up lonely, hating\* my life

Shame, shame on me  
Come again  
Shame, shame on me  
Come again

Just bodies, they bite, they scratch,  
They crawl at golden souls  
Hue pictures you won't see or never know  
Just bodies, these golden souls  
With pictures were deleted  
Heaved into the ocean to drown with their brothers.

Brothers  
Wake up lonely, hating my life  
Their brothers  
Wake up lonely, hating my life

Shame, shame on me  
Come again  
Shame, shame on me  
Come again

Come again  
Come again  
Oh shame, shame on me  
Come again  
Shame, shame on me  
Come again  
Shame, shame on me  
Come again  
Oh shame on me

Come again

*[\* for some reason cd cover says "loathing" here]*
