You used to be my angel,  
but now you're more like the devil.  
Keep on talking darling,  
you're bound to kill yourself...  
with another thousand words.

And tear my eyes right out;  
I'd rather see you, without them anyway.  
And tear my eyes right out;  
I'd rather see, without them anyway.

Take me away  
(Take me away)  
I don't know you anymore.  
(I don't know)  
Take me away  
(Take me away)  
I don't know you anymore.

After tomorrow,  
things just won't ever be the same again.  
Keep on running darling,  
you're bound to kill yourself...  
with another thousand miles.

And tear my eyes right out;  
I'd rather see you, without them anyway.  
And tear my eyes right out;  
I'd rather see, without them anyway.

Take me away  
(Take me away)  
I don't know you anymore.  
(I don't know)  
Take me away  
(Take me away)  
I don't know you anymore.

And I know you will never  
(rip my heart out)  
listen to me again.  
You will never

(rip my heart out and leave it beating on the floor)  
listen to me again.

Take me away  
(Take me away)  
I don't know you anymore.  
(I don't know)  
Take me away  
(Take me away)  
I don't know you anymore.  
(I don't know)
