I followed your brake lights--into the night
I kicked the curb--till my foot felt right

Expectations must not be held as high
Its not the same
You are not mine
[2x]

You cried but did you mean it?
Hes so ignorant to you being true
To enlighten him would frighten you
Your best of both worlds would collide
So let what is true subside
Enjoy the free ride
Enjoy the free ride

Hide from the sunlight--Ill fight the sleep tonight
With a new day comes a new life--Im scared to open my
eyes

Expectations must not be held as high
Its not the same
You are not mine
[2x]

You cried but did you mean it?
Hes so ignorant to you being true

To enlighten him would frighten you
Your best of both worlds would collide
So let what is true subside
Enjoy the free ride
Enjoy the free ride
[2x]

Expectations must not be held as high
Its not the same
You are not mine
[2x]

You cried but did you mean it?
Hes so ignorant to you being true

To enlighten him would frighten you
Your best of both worlds would collide
So let what is true subside
Enjoy the free ride
Enjoy the free ride
