Hello, ladies and gentlemen,  
I'm glad you've graced me with your presence  
You're in time to see me wrestle with my conscience  
And staring in the si-si-si-silence

You see, I came to save the stage,  
I hope I'm not too late  
Passion called from back behind the curtain  
screaming,  
"Sonny, this is urgent"

Fill these 50 persons with a purpose,  
But don't just give it away  
Inspiration isn't cheap these days,  
You better make them earn it

You better make them earn it, make them earn it!  
You better make them earn it, make them earn it!

How do I address a letter to my generation?  
"Sonny", she said, "save yourself the postage"  
How do I address a letter to my generation?  
"Sonny", she said, "sing it in person"
