Leave me alone
I don't like you
Go home

Where've you been
I'm calling you
Are you home Miss Vicious

I can't live
Without your kiss
Are you home Miss Vicious

Stop don't want it
Stop can't have it

[Chorus:]
Get away from me
And leave me alone
You're driving me crazy
And I want you to know
You better leave me alone (I don't like you go home)

We're the same
Two in one
Gonna get you
Gonna make you run

Don't dare scream
You're all I am
I was born to be your only friend

Stop don't want it
Stop can't have it

[Chorus:]

[Bridge:]
Where've you been
I'm calling you
Are you home Miss Vicious

[Chorus:]
Get away
You're not my friend
You're driving me crazy
I'm gonna make it end
You better leave me alone
I don't like you go home

Here I am
I feel you
You will love me when I'm through
