I was looking in the Mirror
Trying to Find
A new reflection
Wanna take the road
Less traveled in
A different direction

Make some new mistakes
Forget the ones I've made
Cry some tears of joy
Dress more like a boy.

[Chorus:]

And come back as a blonde
Try a different lipstick on
As a blonde
Will I get whatever I want
Ill be ever so enticing
Cake a lot of icing
Never have to watch my weight
Yeah when I'm gone
I'm gonna come back as a blonde

I wanna meet myself
As someone else
Just to see what it feels like
Take a walk
On the other side

Cause you know that I just might

Break some different hearts
Touch my different parts
I'm not gonna wait
To mess around with fate

[Chorus:]

[Bridge:]

I'm tainted
I'm tired
Of being the same

I'm desperate
I'm bored
I'm begging for change
What if you're normal
And wanna be strange

[Chorus:]

I'm gonna come back as a blonde
Wave my magic wand
As a blonde
Will I get whatever I want
Ill be ever so enticing
Down a lot of ice cream
Never even wipe my face
yeah when I'm gone
I'm gonna come back as a blonde
