I was looking in the mirror, trying to find a new  
reflection  
Wanna take the road, less traveled in a different  
direction  
Make some new mistakes, forget the ones I made  
Cry some tears of joy, dress more like a boy

And come back as a blonde, try a different lipstick on  
As a blonde, will I get whatever I want?  
I'd be ever so enticing, tinkle on a bi-state  
Never have to watch my weight  
Ya when I'm gone, I'm gonna come back as a blonde

Wanna meet myself, as someone else, just to see what  
it feels like  
Take a walk on the other side 'cause you know that I  
just might  
Break some different hearts, touch my different parts  
I'm not gonna wait to mess around with fate

And come back as a blonde, try a different lipstick on  
As a blonde, will I get whatever I want?  
I'd be ever so incisive, take a lot of ice-cream  
Never have to watch my weight  
Ya when I'm gone, I'm gonna come back as a

I'm tainted, I'm tired, of being the same ya  
I'm desperate, I'm bored, I'm begging for change  
What if you're normal and wanna be strange?  
Come back, come back, come back  
Come back, come back, come back

As a blonde, try a different lipstick on  
As a blonde, will I get whatever I want?  
I'd be ever so incisive, take a lot of ice-cream  
Never have to watch my weight  
Ya when I'm gone, I'm gonna come back as a blonde

Wave my magic wand, as a blonde, will I get whatever I  
want?  
I'd be ever so incisive, take a lot of ice-cream  
Never need to watch my weight

Ya when I'm gone, I'm gonna

Come back, come back, come back

(Come back)

Come back, come back, come back

(Come back)

Come back, come back, come back

As a blonde
