Starting over again  
Looking 'round the bend  
I didn't see you coming  
I didn't see you there

My eyes are lion strong  
Couldn't cut through the storm  
And you were right there waiting  
For my cover to fall, I didn't see you at all

I didn't see you coming  
There were no signs of warning  
And you came from behind  
It's not right, it's not right  
You're not playing fair, I didn't see you there

I feel the nails sink in  
I felt them cut through my skin  
Wake up it's over, am I dreaming again?  
Baby, where have you been, oh, oh

I didn't see you coming  
There were no signs of warning  
And you came from behind  
It's not right, it's not right  
You're not playing fair, I didn't see you there

I'm alive, I'm alive  
Yeah, you fixed my broken wings  
I can fly, I can fly  
Oh, how I need you by my side  
By my side, by my side

I'm so scared of giving in but I'll try  
Aye, aye, aye, aye, aye, aye  
Aye, aye, aye, aye, aye, aye

Lay my body down  
There's no stopping us  
Let the waves wash over  
Let it all come down  
Yeah, yeah

I didn't see you coming  
There were no signs of warning  
And you came from behind  
It's not right, it's not right  
You're not playing fair, I didn't see you there

I didn't see you coming  
There were no signs of warning  
And you came from behind  
It's not right, it's not right  
You're not playing fair, I didn't see you there

I didn't see you coming  
There were no signs of warning  
And you came from behind  
It's not right, it's not right  
You're not playing fair, I didn't see you there
