Ayo ladadayo  
Ayo ladadayo ladeeda  
Sometimes I give in to sadness  
Sometimes I don't  
Doo doo doo doo  
At times I'm part of the madness  
Sometimes I won't  
Give in to you  
You see in a way  
I have been drifting down a river  
To nowhere  
And you've given me nothing  
But if you're ready to be my everything  
If you're ready to see it through this time  
And if you're ready for love then  
This I will bring  
But I'm not gonna wait for you forever this time  
Ladeeda ayo  
ladadayo ladeeda  
At times I feel myself smiling  
At times I'm not  
Doo doo doo doo  
Yeah yay  
What's with the guilt that you styling baby  
Talk don't look good on you  
You see in a way  
I have been looking for a reason to go there  
And you're leading me nowhere  
And if you're ready to be my everything  
If you're ready to see it through this time  
And if you're ready for love then

This I will bring  
But I'm not gonna wait for you forever this time  
Ladeeda ayo  
ladadayo ladeeda  
Are you waiting for a special occasion  
To give me your heart  
Cause I need a little confirmation  
To make a real start  
Don't wait till it's too late  
Are you ready to show me?

Are you ready to love me?  
You see in a way  
I have been drifting down a river  
To nowhere  
And you're giving me nothing  
And if you're ready to be my everything  
If you're ready to see it through this time  
And if you're ready for love then  
This I will bring  
But I'm not gonna wait for you forever this time  
And if you're ready to be  
Ready to be my everything  
And if you're ready to see it through this time  
If you're ready for love then baby  
This I will bring  
But I'm not gonna wait forever this time  
ladayo ladadayo ladeeda
