I gave it all just for you  
And you needed help for what you threw  
And you think that you would remember  
Paved your way  
When you thought  
You only remembered how to use me

One day, girls (ooh)  
Oh, Right in the kissah  
One day, girls (ooh)  
Oh, Right in the kissah

You blocked reality when you were here  
And now you're gone and it's so much clear  
When the girls walked by  
You love me you would say  
You hook up, you get caught  
I'm in denial so I forgave you

One day, girls (ooh)  
Oh, Right in the kissah  
One day, girls (ooh)  
Oh, Right in the kissah

All I wanna know  
Is what I've done to you  
You think that I'm confused  
And I'll just run to you

Whatever, whatever  
I'll be fine [x6]  
Back to you  
(I think you should know)

One day, girls (ooh)  
Oh, Right in the kissah  
One day, girls (ooh)  
Oh, Right in the kissah

Now that you're gone  
I finally see  
My friends were right

You were wrong for me  
You never controlled me  
I gave you the control  
This song's for you  
I want you to know

I'll be fine [x14]  
If you get what you deserve

One day, girls (ooh)  
Oh, Right in the kissah  
One day, girls (ooh)  
Oh, Right in the kissah  
(Just know that)

One day, (One day) girls (ooh)  
Oh, Right in the kissah  
One day, (One day) girls (ooh)  
Oh, Right in the kissah
