* this 12" is very rare

[Intro: Method Man, (Masta Killa), {Streetlife}]
This is.. High Chief Jamel Arief, Hot Nixon, Chi Sword, whoa!
(Who dare comes amongst the God cipher with that weak shit son?
Who dare comes amongst the Gods?) {High Chief

Jamel Arief}

(Who dare comes amongst the God cipher?) {Chi Sword}

[Masta Killa]

Who dare comes amongst and tries to peep it
The secret of the deadly art, then leak it
Snakes, leeches surround the righteous
I link the diversion shot, then slip with the swiftness
The weaver raindrop, leavin the eye confused
Understandin blurred, cloudy electrical storms occur
from the Masta, classical head bang slang
The deaf tone rises like the blind and dumb
Lickin shots at the microphone, Iron Lung..
