There's a whole lot of things that I will forgive
But I just can't take a liar
I was by your side till the very end
Till you pushed me in the fire..

I tried to believe you but somethin is wrong
You won't look in my eyes
Tell me Whats going on

Its you and me against the world
Thats what You said..Thats what you said
If You can't be honest with me,then i'm afraid this is
the end

Hurry up Hurry up..
If you ever really cared about me ..
Tell the truth,Give it up...
You sound guilty coz you are stuttering

Ohhh... eyyy... Ohhhhh
Yeah your stuttering
Ohhh... eyyy... Ohhhhh
Yeah your stuttering

Now, The seconds turn into minutes now
But you won't give me an answer

You can tell me this ,you can tell me that
But don't say you don't remember
Coz I know you better than you know yourself
So don't say i'm crazy,i know very well

Its you and me against the world,
Thats what You said..Thats what you said
If You can't be honest with me,then i'm afraid this is

the end..

Hurry up.. Hurry up..
If you ever really cared about me ..
Tell the truth,Give it up..
You sound guilty coz you're stuttering

Ohhh...eyyy...Ohhhhh
Yeah your stuttering
Ohhh... eyyy... Ohhhhh
Yeah your stuttering

Ohhh... eyyy... Ohhhhhh
Yeah your stuttering

Ohhh... eyyy... Ohhhhh
Yeah your stuttering

Ahhhh ahhh ahh.
Don't want to hear your sorry now

Thee best thing you can do for me is just spit it out

Ahhh ahhh ahh.
Don't want to hear your sorry now

Stop stop stuttering your words
Its only making you look worse

Hurry up..
Hurry up..
If you ever really cared about me
Tell the truth
Give it up,you sound guilty
Coz your stuttering

Ohhh... eyyy... Ohhhhh
Yeah your stuttering
Ohhh... eyyy... Ohhhhh
Yeah your stuttering

Keep on stuttering
Ohhh... eyyy... Ohhhhh
Yeah your stuttering

Keep on stuttering
Ohhh...
Yeah your stuttering
