From peaceful sleep and dreaming, alarming awake
A pawn, I'm sent to the fight
No paradise, just daydream

I had it in my vision, better my life
Ease a suffering mind
I made the wrong decision

Sold me, Hold me
Lost an eye
I feel it when you're watching time to time

Sold me, Hold me
Lost an eye
It blurs the line between the dead and I

I waste the days not tryin', dyin' is fine
Oooh, I don't mind
Descending motivation

One glimpse of inspiration, eyes of a child
Faces frozen in time
The past keeps calling for me
Begging, Pleading

Sold me, Hold me
Lost an eye

I feel it when you're watching time to time

Sold me, Hold me
Lost an eye
It blurs the line between the dead and I

Getting closer to a cure, not sure
Is there a reason to believe?
I'm getting closer to a cure, I'm sure
It's getting easier, it's getting easier to breathe

I'm getting closer to the cure, I'm sure
I'm getting closer to the cure, I'm sure
I see the ending of the war

Please give me patience
Please give me patience

Sold me, Hold me
Lost an eye
I feel it when you're watching time to time

Sold me, Hold me
Lost an eye
It blurs the line between the dead and I
