"End Of Love"

Visit "[End Of Love](#)" on MotoLyrics.com

Hey you
I think I'm loosing it
I can't hold on to you

Hey you
Inside something dies
I feel so cold

I see the end
I see the end of all
I feel the end
The end of love

There are times
I've prayed for mercy
There are times
I've hope my end to come
From all the cries
Behind the laughter
I feel I can't find myself anymore

Hey you
Could you help me now
Could you pull me through

Hey you
I only need someone
Someone to talk to
