This one is for us,
You take it all away from me,
Your trying to hard, oh your trying to hard
Try hard

What ever happened to,
It's all about the taking part, it's not about the winning,
Save your answers for another,
What ever happened to,
It's all about the taking part, it's not about the winning
Looks like your trying to hard [x4]

Save your answers for another [x4]
Cos competitions over

I'll take you on any day,
My engines much bigger than yours,
It's all for pride

This one is for us,
You take it all away from me,
Your trying to hard, oh your trying to hard
Try hard

I've come to a line with you,
I'm not about to cross it, cos your taking it way too far,
Save your answers for another,
Today is just another day, I'll pack up and walk away
Looks like your trying to hard [x4]

Save your answers for another [x4]
Cos competitions over

I'll take you on any day,
My engines much bigger than yours,
It's all for pride

I'll take you on any day,
My engines much bigger than yours,
It's all for pride
And when will you learn

It's all for pride [x4]

Today is just another day run

Run, from this, no one

Today is just another day run [x2]

Run, from this, run, from this, no one
