Woke up in a stupor
Guess it's time to face the pooper
Sometimes I feel like superman
Sometimes I'm just recuperating, yeah

My head is twisting in it's cage
My mind feels like a twenty gage
I hope it's just a passing stage
My heart's not red, it's Beige

And it's days like this that burn me
Turn me inside out and learn me
Not to tell you anything I think I know
But I think I'll tell you all that I know

Try to tell you all about it
Thought you might've, Lord, I doubt it
Everyday's a waste, I know
And everyday's a funeral

Cutting out I'm feeling lost
Lost my mind I'm Mr. Frost
Collected all the evidence
I'm off the edge, I'm on the fence

And it's days like this that burn me
Turn me inside out and learn me
Not to tell you anything I think I know
Well, I think I'll tell you all that I know

I don't want to be alone, I want to be a stone
I wanna sink to the bottom of the ocean
And lie there with you 'til I'm gone

At the bottom of the big blue sea, just you and me
At the bottom of the big blue sea
The bottom of the big blue sea, just you and me
At the bottom of the big blue sea

I know I'll never know nobody
Better than I know myself
But I can't even figure out

Just what the fuck I'm all about

I'm sinking, I'm swimming, no wait a minute

I'm drowning, no I ain't kidding around
Sometimes I think I'm gonna make it
Sometimes I fake it

And it's days like this that burn me
Turn me inside out and learn me
Not to tell you anything I think I know
Well, I think I'll tell you all that I know

Anywhere and everywhere
Made up my mind it's getting weird
It's queer to think it might not
Get much better than today I fear

Won't know true happiness
I tried so hard, I did my best
My best wasn't good enough
Oh God, I hate this stuff

And it's days like this that burn me
Turn me inside out and learn me
Not to tell you anything I think I know
Well, I think I'll tell you all that I know

I don't want to be alone, I want to be a stone
I wanna sink to the bottom of the ocean
And lie there, laugh there with you
Laugh there with you till I'm gone

At the bottom of the big blue sea, just you and me
At the bottom of the big blue sea
The bottom of the big blue sea, just you and me
At the bottom of the big blue sea

And it's days like this that burn me
Turn me inside out and learn me
I said, it's days like this that burn me
Turn me inside out and learn me

And it's days like this that burn me
Turn me inside out and learn me
And not to tell you anything I think I know
