When I saw you, down at the lido
It was a hot Saturday night
Oh but you were on fire, and I was burning up
One look from you and I knew it'd be all right

We did the Bombanaza

(Chorus)
diki diki diki diki diki
Yeah, yeah
The Bombanaza
diki diki diki diki diki
oh, oh
The Bombanaza
diki diki diki diki diki
yeah, yeah

Well that moon, it was in the ocean
Oh but all the stars they were in your eyes
And I thought my heart might be lost forever
Oh But one look from you,
It brought it back to life

We did the Bombanaza

(Repeat Chorus)
Mambo baby, Mambo!

Some fools call it love
Some fools call it amore
Oh that feeling that'll come all over you
When your heart has come together
Well someone else's heart it never comes en route

That's the Bombanaza!

(Repeat Chorus)

Oh now when the earth, It begins to tremble
And when the ground, It begins to shake
In your heart, you're so filled with wonder
Oh it's so filled with love, you think the thing might

break

That's the Bombanaza!

(Repeat Chorus)

You can not stop the Bombanaza!

(Repeat Chorus)
