Oh, there's Johnny, he's so sweet
He's booger sugar, devils meat
Hard as boardwalk bubblegum
And smooth as 151

But hey, hey it's all right
I don't mind, I won't fight
Hey, hey it's all right
'Cause baby, you can come
With me tonight

Oh, there's Larry, he's alright
He's a walkin' stick of lit dynamite
Always gets it wrong
His heart's as soft as chicken bone

But hey, hey it's all right
I don't mind, I won't fight
Hey, hey it's all right
'Cause baby, you can come
With me tonight

We can lose ourselves
Not find our way back home
Till the whole world feels
Just like a Saturday night

Without a care in the world
Not a net underneath us
Floatin' through the air
High as a kite

Hey, hey my, my
You're as pretty as the big blue sky
Hey, hey it's alright
'Cause baby, you can come
With me tonight

Oh, and there's Barry, he's okay
He might even find himself, one of these days
With his diamonds and cocaine
And his, "Honey I won't ever do that again"

But hey, hey it's all right
I don't mind, I won't fight
Hey, hey it's all right
'Cause baby, you can come
With me tonight
