Well I got some flowers coming in  
Got some friends that all call me Jim  
But you can call me Honeypot  
'Cause I like you a lot (yeah)

I'm the real thing, oh baby  
I ain't no boy(king?), no baby  
I'm a real man, honey  
I don't need my mama's money  
But it don't hurt... No it don't hurt

(Chorus)  
Got a heart lost in kindness  
A mind that's mostly mindless  
I can hold you up for air  
I won't let you down I swear

I have burnt down my past  
I'm lost, I'm built to last  
I'm built to break, but that's okay  
Got a boat down by the lake

We can go there, we can go there,  
We can go there when you want  
We can go there baby

Well I know it's hard to tell  
But I can save you from this spell  
I can help you get right through  
Stick around like super glue

Dig them ghosts up from the grave  
Throw them bones into the waves  
Oh baby, you don't have to worry  
I'm built for comfort, not for hurry

(Chorus)  
Got a heart lost in kindness  
A mind that's mostly mindless  
I can hold you up for air  
I won't let you down I swear

I have burnt down my past  
I'm lost, I'm built to last  
I'm built to break, but that's okay  
I got a place down by the lake

We can go there, whenever you want,  
We can go there  
Everybody sing...  
La, la, la-la  
La, la, la, la-la  
La, la, la, la-la, la  
(8xs)
