My friend got shot

All by himself

In the head

Just last week

He narrowly escaped

Growing older

Like the rest of us

Will and are

I don't miss him

Very much at all

'Cause I have lost

The ability to feel anything at all

And I've got problems

Of my own, you see

To deal with and you know

That I hate you all

My friend got shot

All by himself

In the head

Just last week
