

Feiled "Lost"

Visit "[Lost](#)" on MotoLyrics.com

I, I lost myself today
I lost my faith
My faith in you

And these days...
It's hard to find a place
A place to hide away
Away from you

And every night
I dream of you
In this loneliness
It's all I can do

And every night
I shout your name
I hope someday
You'll feel the same

Words, nothing to say any more
I've tried to be strong
But I'm so weak
Too weak
And your eyes
Haunting me at night
They're wanting me to fight
To fight for you

And every night
I dream of you
In this loneliness
It's all I can do
And every night
I shout your name
I hope someday
You'll feel the same
