(Prelude)

Whispers in the grass
under our slow dancing trees
birds are telling me stories
saying you were meant for me

With their bittersweet melodies
like a sweet memory
bittersweet melodies
can't go back and can't go on
without those bittersweet memories

Creaking kitchen floors, snow slips under the door
time is sweet cause we're singing
telephone always ringing

With those bittersweet melodies
like a sweet memory
bittersweet melodies
can't go back and can't go on

I memorize
Why we turn to dust
Just what our feeling were all about
When we still could trust in our hearts

(Instrumental)

Bittersweet memories
like a sweet melody
Bittersweet memories
can't go back and can't go on

Both of us singing that same old song
with those bittersweet memories
like a sweet melody
bittersweet memories

And it seems oh so long
since those bittersweet melodies
Played for me
