I feel it all, I feel it all, I feel it all, I feel it all
The wings are wide, the wings are wide
Wild card inside, wild card inside

Ooh, I'll be the one who'll break my heart
I'll be the one to hold the gun

I know more than I knew before
I know more than I knew before
I didn't rest, I didn't stop
Did we fight or did we talk?

Ooh, I'll be the one who'll break my heart
I'll be the one to hold the gun

I love you more, I love you more
I don't know what I knew before
But now I know I wanna win the war

No one likes to take a test
Sometimes you know more is less
Put your weight against the door

Kick drum on the basement floor

Stranded in the fog of words
Loved him like the winter bird
On my head the water pours
Gulf stream through the open door
Fly away, fly away to what you wanna make

I feel it all, I feel it all, I feel it all, I feel it all
The wings are wide, the wings are wide
Wild card inside, wild card inside

Ooh, I'll be the one to break my heart
I'll be the one who'll break my heart
I'll be the one who'll break my heart
I'll end it, though you started it

The truth lies
The truth lied

No one knows

And lies divide

Lies divide
