One day  
You're gonna have to get over me  
You're gonna have to give in to me  
You're gonna have to give it up

And one day  
You're gonna have to give in to me  
You're gonna have to lay up to me  
You're gonna have to give it up

Bye bye, baby  
If you don't think, I know what's right  
then  
Here we go

You're gonna have to give it up  
You're gonna have to give it up  
You're gonna have to give it up  
You're gonna have to give it up

You're gonna have to give it up  
You're gonna have to give it up  
You're gonna have to give it up  
You're gonna have to give it up

Let's get over this  
I'm your loverTits, oh  
Let's get over this  
I'm your loverTits, oh
