The Queen had a feint had a fall
Don't give me ether or open my vein I'm sane
I know I'm sane
I don't give a care for the crown or the shield
I will not protect you or happily yield
To the one who makes me come undone

Who was born and in what way
All the fields and poppies ay
Who was born and in what way
All the fields

The Queen is walking away with only her stockings on
Waving having forbidden pears and song
Valiant and the colours are too gold
Colours of the morning old

Who was born and in what way
All the fields and poppies ay

Who was born and in what way
All the fields

Monarch now lay (your) jeweled head
Monarch now lay (your) jeweled head
Monarch now lay your jeweled

Monarch now lay your jeweled head
Monarch now lay your jeweled head
Monarch now lay your jeweled head

The Queen saw the beast in the ribs of the garden
Husband dear you are nearer to the eye
You're thrown places you wouldn't hold a pardon
stroked

By the hand of God
By the hand of God
Through you is so cruel

Who was born and in what way
Who was born and in what way
