My moon, my man
So changeable and
Such a loveable lamb to me

My care, my coat
Leave on a high note
There's nowhere to go but on

Heart on my sleeve
Not where it should be
The song's out of key again

My moon's white face
What day and what phase
It's the calendar page again

Take it slow
Take it easy on me
And she'd some light
Shed some light on me please
Take it slow
Take it easy on me
And she'd some light
Shed some light on me please

My moon and me
Not as good as we've been
It's the dirtiest clean I know

My care, my coat
Leave on a high note
There's nowhere to go
There's nowhere to go

Take it slow
Take it easy on me
And she'd some light
Shed some light on me please
Take it slow
Take it easy on me
And she'd some light
Shed some light on me please

My moon my moon my man
My moon my moon my man
My moon my moon my man
My moon my moon my man
